

### **Restaurants embrace Telemetry system**

San Diego-based **Advanced Telemetry** has sold and deployed its smart energy and resource management system three restaurant brand franchisees.

The clients include **RIO Management**, a Portland, Ore.-based multi-location **Burger King** operator; **AIP Ventures**, a Seattle, Wash.-based multi-location **Taco Bell** operator; and **FX4**, a Scottsdale, Ariz.-based multi-location **Arby's** operator. **Source Code: 20090421tqd**
