Fun, Functional and Supporting the Cause

Pink Power Gadgets Promote Breast Cancer Awareness at CableOrganizer.com

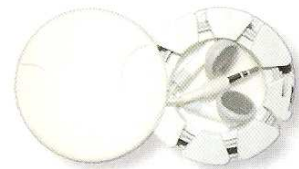

This October, CableOrganizer.com is donating a portion of the proceeds from the sale of these items - \$1 per item sold - to The Donna Foundation, a non-profit organization that raises

funds to meet the critical needs of women living with breast cancer.

For a complete listing of the products included please visit cableorganizer.com/pink-products. 

Cable Turtle

earPod

Coleman Cable Cool Colors Outdoor Extension Cords

Pelican™ i1010 and i1030 iPod® Cases

Gorillapod Digital Camera Tripod

Cable Turtle

From \$4.99

A sleek and simple solution for organizing unruly gadget cords.

Coleman Cable Cool Colors Outdoor Extension Cords

From \$23.75

Coleman Cable Cool Colors outdoor extension cords are 12 gauge 15-amp cords manufactured with brilliant neon colored gloss on a flexible weather resistant vinyl SJTW jacket.

earPod

Price \$9.99

Great for travel, EarPod has an external channel to wind up loose cords, and a felt-lined inner compartment to safely store earbuds when your MP3 player isn't in use.

Pelican™ i1010 and i1030 iPod® Cases

From \$24.78

Designed to protect your iPod® but not limited to this function it features all the great qualities of Pelican™ products such as: durability, strength, and the infamous feel and look that has made this brand world famous. Not only are you protecting your investment but also you are able to use it while doing so via an external headphone jack.

Gorillapod Digital Camera Tripod

Price \$32.93

Gorillapod uses its 30 adjustable joints to grip to trees, fences or posts--anything it can wrap its legs around--to provide a steady and secure platform for your digicam! No more hunting for flat surfaces at eye-level: just wrap or hang Gorillapod on any handy object and get in the picture!
