

## **Organize** CONTROL CABLES

Keep your wires straight with the cable-organizing gizmos available at

[cableorganizer.com](http://cableorganizer.com).

There are tools to hang, manage and power your lights, toys, computers and other plug-ins. This includes a remote control with timer (above, \$11.99-\$18.25) to turn the outdoor lights on and off without leaving the comfort of your recliner.
