

Gift Guide 2008

The Mighty Wallet is an eco-friendly wallet made from a single sheet of a super strong micro fiber called Tyvek. It's tear and water-resistant, 100-percent recyclable and makes a great gift for a green guy or gal on your list. (\$15 at Regalo, 980 Barret Ave.)

Complete your present for your BFF with a **gift set by Fringe** (\$40 each at Croquis Boutique in Westport Village). Each box comes with a delicious-smelling bar of soap, a soap holder and a relaxing candle.

If You Must Splurge ...

This **hands-free wireless LCD Bluetooth speakerphone** is compatible with nearly any Bluetooth cell phone with a hands-free profile and it clips to a sun visor (\$69.74 at CableOrganizer.com).

Getting up in the morning will never be the same with this witty **alarm clock by Wake Up Calls** (\$16 at Regalo, 980 Barret Ave.), which features snarky sayings like, "He had to be straight with himself ... it was time to come out."

Your stylish pal is certainly no fair-weather fashionista. Make her day with this **ribbed sweater dress** by Tulle (\$68 at Dot Fox, 1567 Bandstown Road).
