**BEDOL WATER POWERED CLOCK**

> **Get it for:** \$19.99 at [www.amazon.com](http://www.amazon.com).  
 Powered by a splash of water and a dash of salt, this clock keeps perfect time with no batteries. Electrodes harvest energy from the water.  
 Squeezing some lemon juice into the water tank also will enhance the power generated by the clock and make it work more efficiently.

**POWERSTATION TRAVELLER**

> **Get it for:** \$32.99 at [www.cableorganizer.com](http://www.cableorganizer.com).  
 This convenient carry bag is able to charge up to three small, portable electronic devices at one time while at home or on the road.  
 Simply plug in a cell phone or other device, then plug the 6-foot DC adaptor into the car's cigarette lighter, and the devices begin charging.  
 The bag features heavy-duty, luggage-quality construction, foam padding with a padded hand-carry strap and an adjustable shoulder strap.  
 It also can be used with the AC/DC power adapter for use indoors (adapter not included).

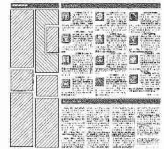

**TIME-LAPSE GARDEN VIDEO CAMERA**

> **Get it for:** \$159.95 at [www.hammacher.com](http://www.hammacher.com).

This camera makes a time-lapse video of your garden to show you the development of individual specimens or entire areas over time.

It can focus as close as 20 inches. Movies are time-stamped and stored on the camera's removable 2 gigabyte USB flash drive, which can take up to 18,000 pictures. Four AA batteries (not included) provide up to four months of operation.

### **PEEWEE PIVOT TABLET LAPTOP**

> **Get it for:** \$599.99 at [www.peeweepc.com/store](http://www.peeweepc.com/store).

This Intel-powered laptop is designed for children ages 3 to 10. It has a sturdy plastic case that's built to withstand drops and spills, a rotating camera built into the top of the screen and a swiveling screen to allow young users to alternate between the traditional keyboard mode and a tablet mode.

It is loaded with kid-friendly software (and PC Security Suite so parents can control the computer remotely), and has a microphone and speakers.
