▲ For just a few dollars (\$0.65/ft), that wire octopus behind the computer can be easily gathered and shielded with CableOrganizer.com's split wire loom – flexible and durable corrugated tubing with a slit down the side allowing for easy insertion of a multi-cable bundle. If another wire needs to be added afterward, simply slip it into the split wire loom along with the other cables – no need to remove the entire bundle. Find it at www.cableorganizer.com.
