GOOD READ

"Take Me With You: Off-to-College Advice From One Chick to Another" by Nikki Roddy (\$14.95, Zest Books) is a fun little gift book to give

your BFF before she takes off for college. The pages are full of fill-in-the-blanks where you can throw in your two cents on topics such as money and the social scene. Don't let your buddy leave home without it.

GET SPARKLY

Herban Renewal's Twinkle Toes Dancer Dust is an all-natural glitter powder that can be sprinkled in dance shoes, dance bags or all over your body before the big recital. But dancers aren't the only ones who can benefit – prom and partygoers can use the dust or maybe you just want to be sparkly. Check it out at www.herbn-renewal.com.
