Fairy Sprinkles

Body Dust

Teen beauty editor Danie takes a look at this fun new gift idea that is perfect for a tight budget.

Twinkle Toes Dancer Dust is great for the hidden dancer in every girl! This sparkly dust is all natural and is perfect for girls who like to sparkle! This dust can be sprinkled into dance bags, shoes, backpacks, purses, and obviously, all over your body! Its wintery peppermint scent makes it perfect for eliminating those gross smells in your bags, shoes, and other stuff! Dust a little bit of this powder on your cheeks and eyelids for a complete sparkly look that is also fashionable!

For only \$5 for one ounce, and \$15 for 5 ounces of this wonderful dust, you can look great, without spending heaps of money! So go and get dancing! Available at herbanrenewalinc.com/twinkle
