

## Houston-Wide Wellness Initiative to Commence Weigh-Ins

**B**ig bucks are at stake in a new Houston-wide wellness program for employers and individuals, alike. HealthyWage™ (www.HealthyWage.com) an online network that pays members who improve their health, will soon commence weigh-ins for its “Houston Matchup” competition - a city-wide weight-loss contest that will reward top-performing individual

Win big by improving health.

teams with a total of \$18,000 in cash prizes, while the winning employer will receive thousands, commensurate with the number of companies participating. Registration is now open to all Houston residents and businesses, and the contest officially commences with weigh-ins to be held at health club locations throughout Chicago on May 13, 2011.
