

## Good Elements Targets Lifestyle Woes

**G**ood Elements, Inc. (Palm Beach Gardens, FL) announced the introduction of its new lifestyle-based supplement systems that directly address what it perceives to be the nation's most pressing experiential consumer health needs: workplace wellness, holiday survival, weight-loss and beauty needs.

Each bundle contains a blend of supplements geared towards treating a specific need. Workplace Wellness bundle contains Lucid™ for cognitive per-

formance, Boost™ for energy and Chill™ for anti-stress; Holiday Survival bundle contains Resistance™ for immune health, Craving Control™ for safe weight loss and Chill; Weight Loss bundle contains Craving Control™, Boost and Motion™ to reduce joint pain; Beauty Essentials bundle contains Renewal™ for anti-aging, Essentials™ multivitamin and Dream Supply™ for restful beauty sleep.
