

# Unique Father's Day Gifts for Gadget Fans and Do-It-Yourselfers

Finding the perfect, not so "been there, done that" gift for Dad can be a challenge at best. To help families thrill Dad with gifts he'll really love this holiday, check out this group of "gotta-get-it" gadgets and gear:

## **AUTOLOADER® Multi-Bit Screwdriver with 31 Piece Bit Set**

This revolutionary screwdriver allows dad to change bits in just seconds. Simply pull back the handle, select the desired bit from those stored in the screwdriver's body and push the handle forward. The bit of choice is instantly loaded. (\$44.90) <http://cableorganizer.com/autoloader-multi-bit-screwdriver>

## **'The Sanctuary' Power Charging Station and Desk Valet Combo refuge for PDA's, cell phones, and MP3 players!**

The Sanctuary has 12 built in connections that are compatible with over 1,500 of today's most popular electronic devices, including a USB connection providing hundreds of possibilities. (\$103.20) <http://cableorganizer.com/blue-lounge-designs/sanctuary.html/>

## **Logitech LX300 Ergonomic Cordless Keyboard and Mouse**

Help Dad eliminate frustrating and unsightly cable clutter from his workspace. This high-tech duo is ergonomically designed for comfort and typing ease. The optical mouse ensures Dad can avoid those misbehaving navigation balls. (\$52.95) <http://cableorganizer.com/logitech/?term=LX%20300%20/>

## **Power Station Traveler Multi-Gadget Charger**

From cell phones to iPods to handheld GPS systems, gadgets reign supreme in many households. But most need to be charged to remain functional. For that dad with so many gadgets to charge but so little time, multi-device chargers such as The Power Station Traveler™, which can charge up to three small portable devices simultaneously, will allow the recipient to tote an array of fully functional electronics with ease. <http://cableorganizer.com/power-station-traveller.html>

## **Watts up? Electricity Meter**

Eco-sensitive dads will love saving money on rising energy costs with this handy device. The Watts Up™ electricity meter will determine what each standard 120 volt AC electric device will cost to operate. No more guesswork about how much it'll cost to power something over a short or long span of time. These types of electricity meters will quickly display the wattage and the electrical usage cost of the appliance. <http://cableorganizer.com/electricity-power-meter/>

## **Cushioned 7-Piece Hand Tool Sets**

Sets contain a convenient selection of popular screwdrivers and nut drivers complete with a deluxe Cushion-Grip designed for extra-long, dependable service and unbeatable comfort. Color-coded cap identifies hex size. The comfortable Cushion-Grip is locked around a solid plastic handle.
