

# GREAT GADGETS for GUYS

*Electronic marvels to please the men on your list*

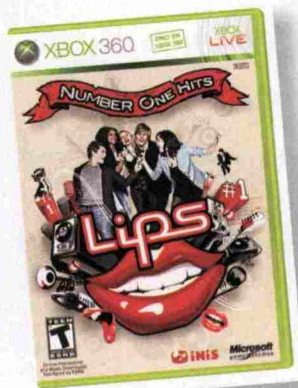

**POWER STATION**  
The Sanctuary power charging station and desk valet combo is a refuge for personal digital assistants, cell phones and MP3 players with 12 built-in connections. About \$103. Available at [www.cableorganizer.com](http://www.cableorganizer.com)

**SCENE SAVER**  
Sony's DSC-T90 Cyber-shot digital camera packs sleek, high-quality performance in a small package. The camera's intelligent auto mode simplifies functions. Available at Sixth Avenue Electronics, P.C. Richard & Son and Target. About \$299.

**NOW HEAR THIS**  
"Lips: Number One Hits," the latest addition to the Lips franchise exclusively for Xbox 360 by Microsoft, offers hit songs including Coldplay's "Viva La Vida," Lady Gaga's "Just Dance" and Timbaland's "Apologize." Motion-sensing wireless microphone included. About \$60. Available at Target and GameStop's Bridgewater Commons and other locations.

**FILM FEST**  
Newly updated, Apple's iPod nano adds a video camera, microphone and speaker to the world's most popular music player. Available in nine colors. Starting at \$149. Available at Bridgewater Commons, The Mall at Short Hills, and other Apple retail store locations.
