

## Music In a Book

While there is nothing new about children loving music, there is a new way to learn.

Developed by music teacher, Sharon Burch, the *Freddie the Frog* series books and companion CDs provide an accessible, entertaining and highly effective form of literature-based music education that kids absolutely love. The books offer young readers not only an adventure of Freddie's home and adventures, but introduces them to basic concepts such as rhythm and beat.

Perfect for preschool through elementary-age children, each book/CD combo retails for \$23.95 and is available at local booksellers.

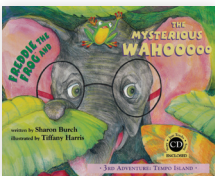

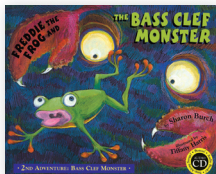

### *Freddie the Frog and the Thump in the Night*

The first in the series and can introduce your pre-readers and early readers to the fundamental music concepts.

### *Freddie the Frog and the Bass Clef Monster*

The second book in the series introduces the bass clef staff and nine bass clef notes. Lines and spaces represent each part of the story.

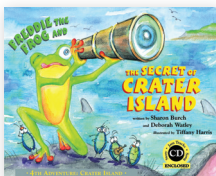

### *Freddie the Frog and the Mysterious Wahooooo*

Young readers will discover the tempos, rhythms and beat of

Tempo Island with Freddie the Frog and his best friend, Eli the Elephant.

### *Freddie the Frog and the Secret of Crater Island*

This eagerly-awaited fourth book in the series teaches six note names and completes the treble clef staff that *Freddie the Frog and the Thump in the Night*, introduced.
