

# Score a Goal plans rally for Arlington students

With school bells ready to ring in a new year, Score a Goal in the Classroom school incentive program will host the Arlington Back-to-School Rally from 6-8 p.m. Aug. 24 at the downtown Founders Plaza, 100 W. Abram St. in Arlington

The event will feature a citywide concert of prayer, praise and worship music for students, administrators, educators and employees of the Arlington public, church and private schools.

Donations of school supplies will be collected the day of the rally from 5-8 p.m. on the west side of Levitt Pavilion in the 200 block of South Pecan Street. Supplies, as well as donations of children's socks and underwear to be distributed by Mission Arlington, will be accepted at all Arlington fire stations from now until the day of the event.

## Taco Bell helps local teens

The Boys & Girls Clubs of Greater Fort Worth recently prepared 110 area students for their futures with the help of a \$10,000 grant from the Taco Bell Foundation for Teens.

The grant was designed to fund real world experience programs that help encourage students to stay in school and consider future career possibilities.

The Fort Worth Boys & Girls Club's program was one of 250 organizations nationwide that received a portion of a \$1.8 million Taco Bell grant. The local youth agency provided teens with after-school tutoring, educational field trips, college campus visits, test prep instruction for the TAKS, ACT and SAT, and assistance through an informational career panel.

## Art Station benefit

The 10th annual Charity Golf Tournament presented by Thos. S. Byrne Ltd. and The Byrne Foundation to benefit The Art

Station, will be Aug. 23 at Trophy Club Country Club, 500 Trophy Club Drive in Roanoke.

The Art Station, a Fort Worth-based nonprofit community mental health agency specializing in art therapy, has benefited from the tournament since its inception.

Registration for golfers will begin at 9 a.m. and a shotgun start will be at 10 a.m. A dinner, silent auction and awards will follow the day's golf activities.

## Free workplace CPR training

Mission CPR recently launched its "Spend 45 Minutes, Save a Life" initiative offering workplace CPR awareness and basic skills training to area businesses and organizations free of charge.

The Keller-based nonprofit started the program as part of the American Heart Association's "CPR" Anytime campaign created to increase the incidence of bystander CPR by making training more accessible.

Mission CPR also offers employees certification-based CPR and First Aid training at a reduced cost, with proceeds used to purchase additional training kits. Mission CPR sessions are available for company meetings and conferences, lunch and learn, health fairs or benefits enrollment periods.

#### **Duvall to star at autism event**

The 22nd annual Bobby Norris Roundup for Autism will have it all: a parade and rodeo in the Fort Worth Stockyards, golf tournaments in Dallas and San Antonio, a black tie ball at the Fairmont Hotel in Dallas, auctions and multiple celebrities.

The three day event, Sept. 9-11, will feature Robert Duvall, Barry Corbin, Larry Mahan, Tracy Rowlett, Dallas Mayor Tom Leppert and wife Laura, and founder Bobby Norris.

Funds raised will benefit the Autism Treatment Centers of Texas.

Individual tickets are \$200 for the Pegasus Ball (table sponsor \$2,000); call 972-644-2076 ext. 104. Rodeo tickets are \$15 general admission (817-625-1025) or six box seats for \$300 (817-545-7248).

tor, 972-644-2076 ext. 104 or [nmassey@atcoftexas.org](mailto:nmassey@atcoftexas.org)

#### **Collect 2 Connect**

As part of its five-year, \$100 million philanthropic plan called Connect A Million Minds, Time Warner Cable is hosting a school supply drive called Collect 2 Connect, which will run through Aug. 25.

All collected supplies will be donated to Girls Inc. of Tarrant County. Donation boxes are available at each Time Warner Cable in the Fort Worth-Dallas area, including the Girls Inc. location on Matlock Road in Arlington.

The drive's focus is on collecting items associated with math and science, so items preferred are graphing, scientific and basic calculators; graphic paper; and pens.

The cable provider recently partnered with Girls Inc. in a week-long education camp dedicated to science, math and technology. A group of 30 girls learned about the science behind cable and had a behind-the-scenes tour at Six Flags Over Texas to learn about the science of roller coasters.
